TRAVEL & EVENTS

NOT YOUR AVERAGE FAMILY CATION

Our 2025 Family Adventures are now open! Next year's lineup includes swimming with sea lions in Galápagos, spectacular safaris in South Africa, and much more. Instead of another ho-hum road trip filled with iPads and eye rolls, show the kids the whole, wide world.

JUN JUN  
19 - 30

**Japan Family Adventure** →  
With Young Explorer Program for kids ages 6+  
Delve into ancient traditions and modern pop culture with the whole family. Learn about Samurai practices and visit meticulously sculpted gardens and serene temples.

JUN JUL  
24 - 02

**Galápagos Islands** →  
With Young Explorer Program for kids ages 6+  
Enjoy a family cruise through the remote island chain and encounter unique wildlife up close, including playful sea lions, giant tortoises and blue footed boobies.

JUL JUL  
13 - 20

**Switzerland** →  
With Young Explorer Program for kids ages 7+  
There is so much to experience and enjoy in and around Interlaken: chocolate, wines, train and boat rides, Schilthorn's famous Thrill Walk, and vast cultural treasures.

ABOUT US

ABOUT US

**NITCAA - Brief History**

An active and vibrant alumni forum is an asset for any institute as well as for the Alumni fraternity and the students. As for our AlmaMater the Alumni body was 'RECCAA' - a forum confined to the institute without much connect with the Alumni fraternity and not able to contribute to the Alma mater, the way it was supposed to. Over time institutions transform and our alma mater also transformed from 'REC' to 'NIT' while the alumni forum remained as 'RECCAA' disconnected from the regional chapters. At the same time there existed another forum 'World NITCAA Council' which was supposed to be the apex body of the alumni regional chapters, again just a concept formed by the regional chapters to organise the World NITCAA Meet once every two years. The issue was that RECCAA had the legal standing but with practically no connect with the regional Chapters and the World NITCAA Council, which did not have any legal structure but was well connected with the regional chapters.

It was during WNM 2016 at Goa at the interactive session that this scenario was taken up for serious deliberation and the seed was sown for a unified strong Alumni Body. The input from the then NITC Director Dr Sivaji Chakravorty, advocating the need for a strong alumni body which can contribute to the alma mater and the alumni fraternity, needs a special mention. Thus, the unanimous decision was taken to do away with dual forums and establish one single strong entity. The road map and the responsibilities were set and the deadline was to have the unified strong alumni body by WNM 2018 @ Calicut. The task was set out for the WNM2018 organising team from the Calicut Chapter to formulate the new entity. This called for a change in the constitution of RECCAA with a greater role for the regional chapters and a forum driven by the Chapters.

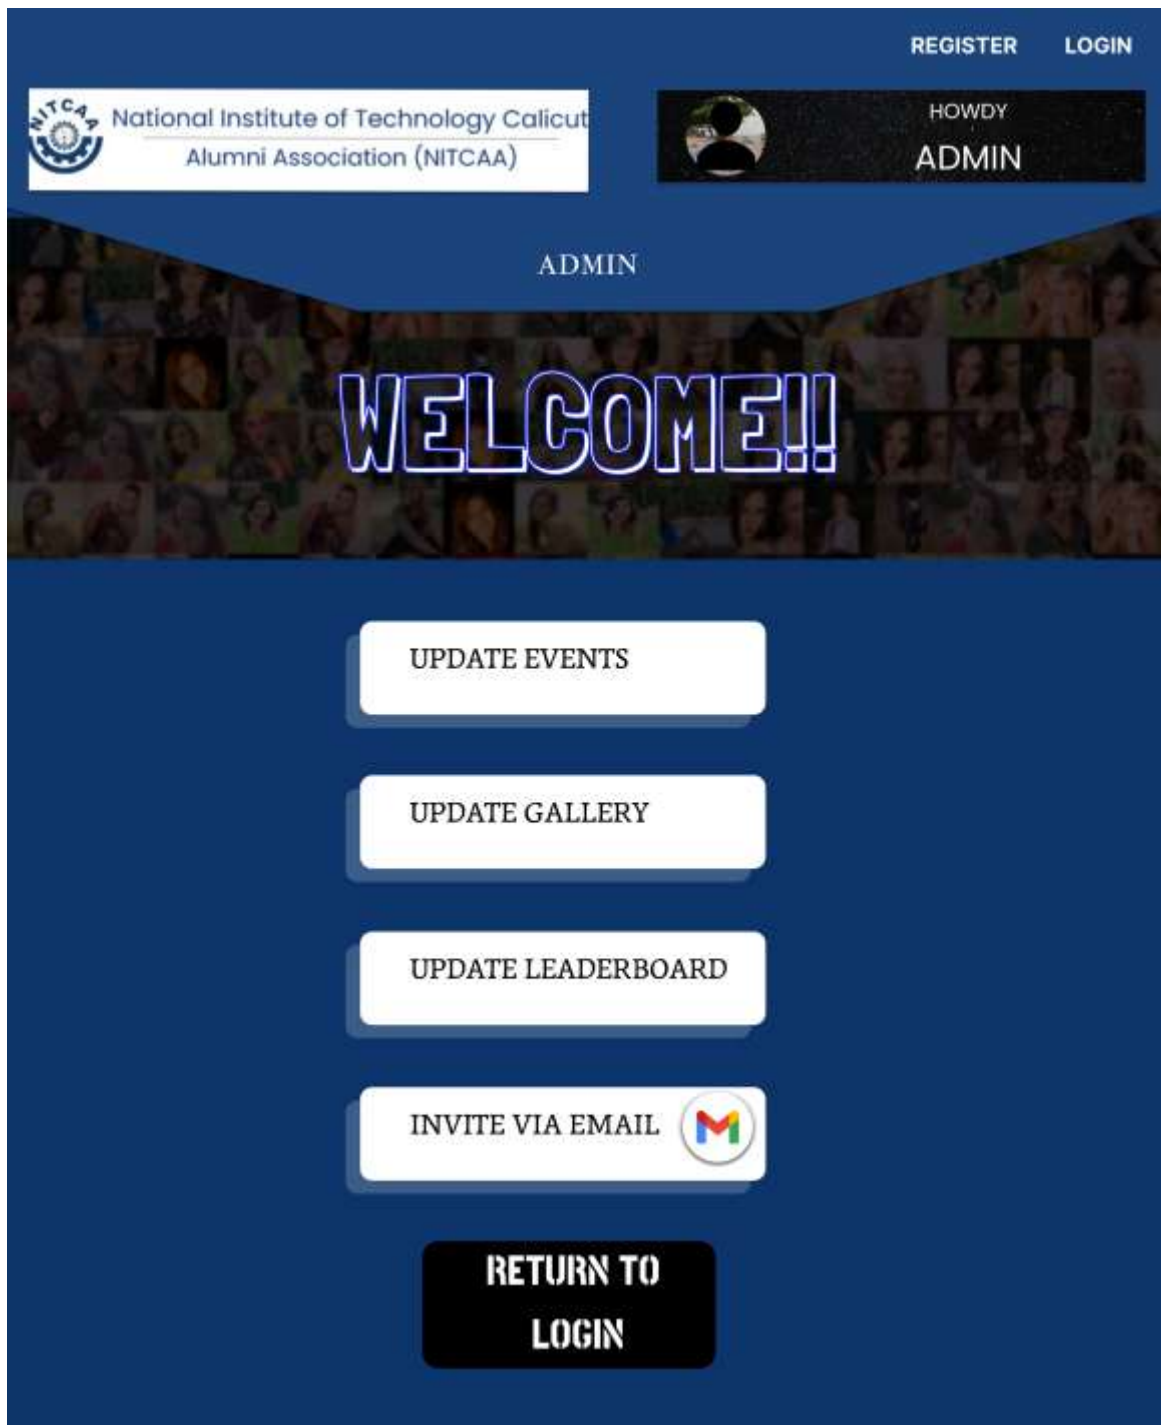

The choices in front of us were to bring the required amendments in the bylaws of RECCAA or to formulate a new entity NITCAA and merge erstwhile RECCAA with the new entity. The latter option was opted for. As promised, 'NITCAA' a new legal entity in its present form was in place by WNM 2018, thanks to the hard work put in by the Calicut Chapter and the WNM 2018 organising committee in particular.

Thus in the 1<sup>st</sup> AGM of NITCAA held on 11th August 2018 during the World NITCAA Meet - 2018, the following members were elected to the General Council:

1. Mr. John Joseph - President
2. Mr. KS Sudhakaran - Vice President
3. Mr. Nityanand Kamath - Hon Secretary
4. Mr. Joseph Philip - Joint Secretary
